SUP-борды и весла

Техническое описание

Red Paddle Co 10'8" Ride MSL Paddle Board + Free Paddle, Leash

Our most stable Inflatable Standup Paddleboard. More than 40% stiffer than a standard 4" board at the same pressure. And at 10'8" long, it's easy to take a small passenger on the board with you, making this a favorite of families. Included with the 10'8" Ride Inflatable SUP: Red Paddle Co Backpack, Titan Pump Repair Kit and free water resistant phone case. Now comes with a FREE Alloy Vario Travel 3-piece Paddle (\$139 value) and FREE Coiled Leash (\$39 value). **FREE SHIPPING**

Red Paddle Co 11'0" Sport Paddle Board + Free Paddle, Leash

The 11'0" Sport offers a step up from the Ride family and has been designed for the more experienced paddler to deliver more speed and dynamic performance (although it's not a race board). It's narrower than a Ride, so it cuts through the water more cleanly, and the drawn-out nose section gives it more glide across the water. Now comes with a FREE Alloy Vario Travel 3-piece Paddle (\$139 value) and FREE Coiled Leash (\$39 value). **FREE SHIPPING**

Red Paddle Co 11'3" Sport Paddle Board
+ Free Paddle, Leash

The 11'3" is a sporty tourer for riders 85-110kgs which can ride waves just as well as it can cruise up the river, it's one step away from being a full blown cruiser! Included with the 11'3" Sport: Red Paddle Co Backpack, Titan Pump Repair Kit, RSS Battens, FCS Connect Fin and free water resistant phone case. Now comes with a FREE Alloy Vario Travel 3-piece Paddle (\$139 value) and FREE Coiled Leash (\$39 value). **FREE SHIPPING**

Red Paddle Co Alloy Vario Travel 3PC Paddle

Our entry-level paddle, but no less technical for it. Its shaft is coated in soft-grip EVA, and it has an ergonomic t-grip handle design and a streamlined nylon blade for low-impact paddling. Alloy and 3-piece options available to enable you to get all the family on the water and store / travel with ease.

(Lever Lock)

Red Paddle Co Carbon Travel 3PC Paddle

The Carbon gives you many of the benefits of a full carbon paddle without the price tag of an elite paddle. It has a balanced mix of carbon and glass fibre, making it light and responsive. New to our range for 2017 is LeverLock – the easiest way to securely alter and fix the length of your paddle's shaft. LeverLock's patented technology allows you to make adjustments on the fly with one hand – maximum flexibility, minimum fuss. Available on the vario and 3 piece paddles.

Red Paddle Co Coiled Leash

The Red Paddle Co 8ft Coiled Leash has been designed for flat water paddlers and racers who want to make sure they are not getting any excess drag from their leash being in the water. With an adjustable section to change the length allows this to be used on any length of board without it tugging you backwards. Avoids drag caused by a trailing leash. Perfect for flat-water paddling.
